

## **Terms and Conditions**

### **Insurance**

Personal travel insurance is not included in the trip cost. It is a condition of booking and participating in a trip with Expedition Engineering that you are insured.

### **CANCELLATIONS**

If it becomes necessary to cancel your holiday, you must notify Expedition Engineering immediately in writing. Cancellation will take effect when EE receives your written notice. The following fees apply when cancellation occurs between:

- Cancellation from time of booking to 6 months prior to departure: loss of deposit
- 6 months prior to departure: 50 percent of the trip cost per person;
- less than 90 days prior to departure: 100 percent of the trip cost per person.

There is no refund for arriving late or leaving a trip early.

We very strongly recommend you take out travel insurance that includes cancellation coverage including cancellation for severe weather, at the time of booking.

### **DELAY OR CHANGE OF ITINERARY**

EE reserves the right to cancel any trip prior to departure due to minimal numbers, in which case any payment made by you will be refunded in full and you will not be entitled to make any further claim for compensation or damages, expenses, loss of time or inconvenience which may result from such cancellation.

If EE cancels any trip more than 90 days prior to departure as a result of the issuance of a travel warning (from the Canadian Government) then EE will provide a full refund of your deposit. If a travel warning is issued within 90 days of departure, and Expedition Engineering cancels the trip, EE cancellation conditions will apply. Travel insurance may compensate you depending on the circumstances.

## MEDICAL DISCLOSURE

You declare and warrant that:

- you are in good health and mental physical fitness at the time of booking this trip;
- you have disclosed to EE every matter concerning your health and mental and physical fitness of which you are aware, or ought reasonably be expected to know, that is relevant to EE's decision to permit you to join the trip;
- immediately upon any adverse change in your health or fitness that may be likely to affect EE's decision to accept the risk of permitting you to join the trip, you will notify EE in writing of any such adverse change.

You acknowledge that the obligation to disclose under this condition continues from the time of booking the trip through to departure and extends for the duration of the trip.

If you fail to comply with the duty of disclosure in this condition and if EE would not have permitted you to undertake the trip, or continue participation of the trip, had you made full disclosure under this condition, EE will not be liable, except to the minimum extent required by law, for personal injury, death or property damage or loss incurred by you.

## FLUCTUATIONS IN CURRENCY

Foreign currency exchange rates are subject to fluctuations outside of the control of EE. EE protects itself against these fluctuations by quoting prices in local currency wherever possible. If a local currency experiences a large fluctuation (15%) or more, EE reserves the right to adjust the trip cost in accordance with this related price increase.
